

Dear Friend,

The Holy Trinity School of El Cajon is a non-profit, Catholic school that has been serving the community since September, 1951.

One of the unique offerings of our school is our athletics program. We offer the chance for all grade levels, kindergarten through 8th grade, to compete against other catholic schools in soccer. Our program also includes football and basketball for 5th through 8th grade boys, and volleyball and basketball for 5th through 8th grade girls. Last school year, more than 70% of our students participated in our athletics program. The program provides an opportunity for our students to build self-esteem, learn good sportsmanship, and have fun!

Our athletics program could benefit greatly from your donation. Donations make it possible to purchase new equipment and uniforms for our athletes, and fertilizer and water for our multi-purpose field, and to participate in tournaments.

As a thank you for your donation, we will provide and place a 4'x6' banner with your company's logo at our multi-purpose field. Many high school teams and little leagues also sell advertising banners at their fields. What separates us is the amount of use our field receives. In the 2006-07 school year alone, 107 games were contested at our field, the Hawk's Nest, over an 8 month period, with 20 different teams competing there. In comparison, a high school baseball program hosts approximately 40 games over a 4 month period.

Please consider helping our program. All donations are gratefully accepted. For all donations over \$250, we will place a banner at the Hawk's Nest every weekend games are played during the 2007-08 school year. Businesses that donate consecutive years will receive this benefit with a lower donation because a banner will not need to be produced. We will also supply you with a thank you letter, to include our Tax ID number. Since we are a non-profit organization, your contribution will be tax deductible. In addition, your company will be listed on our school's website and in our annual Book of Donors.

If you have any questions regarding the program or your contribution, please contact our Athletics Chair, Jason Tarlov at 619-277-4093 or via email at athletics@holytrinityhawks.com.

Thank you for your time and consideration,

Francie Wright – Principal

Mary Ray – Athletics Director

Jason Tarlov – Athletics Committee Chair
